MEDIA RELEASE

TAKE A KID FISHING DAY IS ON AGAIN!

Sunfish South Moreton Branch will be holding their annual Take a Kid Fishing Day on Sunday 18 May on the Wynnum Tee Jetty

Take a Kid Fishing Day will commence at 7.30 and finish at 12.00, and it is free. Look for the posters in your local newsagents around Wynnum Manly and Lota.

Kids must register for the day and be accompanied by an adult. Registration forms will be available from the Water Tower Bait and Tackle at the Manly BP, and on the day at the shelter shed at the southern

end of the wading pool.

The registration forms become the ticket in the prize draw for tackle vouchers donated by the Queensland Industry of Recreational Fishing. Tackle industry identity Bruce Alvey will also be on hand to offer fishing techniques advice to the kids at the Wynnum Jetty.

Kids will need to bring along their own fishing rod and tackle. Bait can be purchased at the local tackle shop. Prawns or worm are ideal. Don't forget to wear a hat and plenty of sunscreen.

Sunfish members and fishing club members will be on hand to assist the kids. The day will include a safe, friendly venue for the whole family to fish.

A free sample bag for the kids and random prize draw for the tackle vouchers will be at the conclusion of the sausage sizzle.

Further information can be obtained from Keith Jarrett 3396 7653.
